Legend

-  No data available: There are not enough data available for this item to give specific information for the course. It may be because the course size is small, or because it is a new course. This does not reflect on the quality of the course.
-  Aggregated data: There are not enough data available to give specific information for the course: this may be because the course size is small, or because it is a new course. For this reason, the information may include data from previous years, or other courses at the institution in the course's wider subject area. For example, if the course was in Forestry, information for all agricultural and related subjects at the institution might be shown.
-  Estimated data: These data are based on the modules the institution expects students to take rather than actual module choices.

[1] Politics

[2] Social sciences (non-specific)

[3] Social sciences

[4] Sociology, social policy and anthropology

About Unistats

Unistats is the official site that allows you to search for and compare data on university and college courses from across the UK. The site draws together official comparable information on those areas that students have identified as important in making decisions about what and where to study. The items that students thought were most useful have been included in a Key Information Set (KIS), which can be found on the Overview tab for each course.

The site draws on official data on higher education courses collected from the following sources:

Data / information shown	Source of data
Student satisfaction data	National Student Survey
Employment information	The Destination of Leavers from Higher Education (DLHE) and the Longitudinal DLHE surveys.
Fees	UCAS / Universities and Colleges
Accommodation costs	Universities and Colleges
Learning and teaching information	Universities and Colleges
Assessment methods	Universities and Colleges
Accreditation	Universities and Colleges
Class of degree	The Higher Education Statistics Agency, HESA (www.hesa.ac.uk) for universities and the Data Service (www.thedataservice.org.uk) for colleges via the Individualised Learner Record (ILR) data.
Entry qualifications	Continuation information
