Notes

UNISTATS - Student satisfaction (2)

MEng (Hons)
Chemical
Engineering with
Industry
Teesside University

My course has provided me with opportunities to bring information and ideas together from different topics

86% 

My course has provided me with opportunities to apply what I have learnt

81% 

UNISTATS - Student satisfaction (3)

MEng (Hons)
Chemical
Engineering with
Industry
Teesside University

The criteria used in marking have been clear in advance	89%	
Marking and assessment has been fair	89%	
Feedback on my work has been timely	76%	
I have received helpful comments on my work	86%	

UNISTATS - Student satisfaction (4)

MEng (Hons)
Chemical
Engineering with
Industry
Teesside University

I have been able to contact staff when I needed to	92% 
I have received sufficient advice and guidance in relation to my course	86% 
Good advice was available when I needed to make study choices on my course	81% 
The course is well organised and running smoothly	89% 
The timetable works efficiently for me	95% 
Any changes in the course or teaching have been communicated effectively	84% 

UNISTATS - Student satisfaction (5)

MEng (Hons)
Chemical
Engineering with
Industry
Teesside University

The IT resources and facilities provided have supported my learning well	100%	
The library resources (e.g. books, online services and learning spaces) have supported my learning well	92%	
I have been able to access course-specific resources (e.g. equipment, facilities, software, collections) when I needed to	95%	

UNISTATS - Student satisfaction (8)

		MEng (Hons) Chemical Engineering with Industry Teesside University
I feel part of a community of staff and students	89%	
I have had the right opportunities to work with other students as part of my course	97%	
		MEng (Hons) Chemical Engineering with Industry Teesside University
I have had the right opportunities to provide feedback on my course	97%	
Staff value students' views and opinions about the course	94%	
It is clear how students' feedback on the course has been acted on	75%	
The students' union (association or guild) effectively represents students' academic interests	61%	

UNISTATS - Student satisfaction (8)

MEng (Hons)
Chemical
Engineering with
Industry
Teesside University

Overall, I am satisfied with the quality of the course

94% 

UNISTATS - Employment & accreditation (1)

MEng (Hons)
Chemical
Engineering with
Industry
Teesside University

After 6 months	
Average salary six months after the course	£27,000 
Typical salary range	£20,000 - £30,000 
Average for all courses in the subject across the UK	£26,000

Legend

-  No data available: There are not enough data available for this item to give specific information for the course. It may be because the course size is small, or because it is a new course. This does not reflect on the quality of the course.
-  Aggregated data: There are not enough data available to give specific information for the course: this may be because the course size is small, or because it is a new course. For this reason, the information may include data from previous years, or other courses at the institution in the course's wider subject area. For example, if the course was in Forestry, information for all agricultural and related subjects at the institution might be shown.
-  Estimated data: These data are based on the modules the institution expects students to take rather than actual module choices.

About Unistats

Unistats is the official site that allows you to search for and compare data on university and college courses from across the UK. The site draws together official comparable information on those areas that students have identified as important in making decisions about what and where to study. The items that students thought were most useful have been included in a Key Information Set (KIS), which can be found on the Overview tab for each course.

The site draws on official data on higher education courses collected from the following sources:

Data / information shown	Source of data
Student satisfaction data	National Student Survey
Employment information	The Destination of Leavers from Higher Education (DLHE) and the Longitudinal DLHE surveys.
Fees	UCAS / Universities and Colleges
Accommodation costs	Universities and Colleges
Learning and teaching information	Universities and Colleges
Assessment methods	Universities and Colleges
Accreditation	Universities and Colleges
Class of degree	The Higher Education Statistics Agency, HESA (www.hesa.ac.uk) for universities and the Data Service (www.thedataservice.org.uk) for colleges via the Individualised Learner Record (ILR) data.
Entry qualifications	Continuation information
