Notes

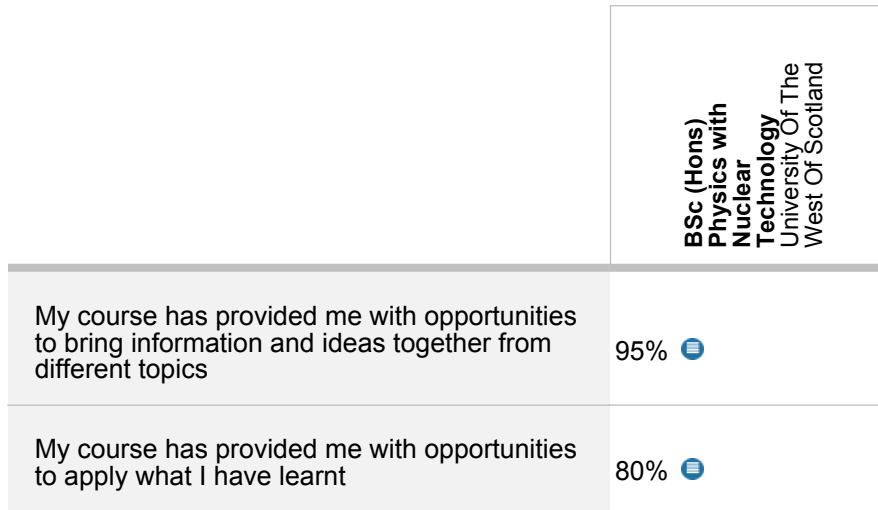

UNISTATS - Student satisfaction (2)

BSc (Hons)
Physics with
Nuclear
Technology
University Of The
West Of Scotland

Overall, I am satisfied with the quality of the course	85%
Staff are good at explaining things	85%
Staff have made the subject interesting	85%
The course is intellectually stimulating	90%
My course has challenged me to achieve my best work	90%
My course has provided me with opportunities to explore ideas or concepts in depth	80%

BSc (Hons)
Physics with
Nuclear
Technology
University Of The
West Of Scotland

UNISTATS - Student satisfaction (2)

UNISTATS - Student satisfaction (3)

BSc (Hons)
Physics with
Nuclear
Technology
University Of The
West Of Scotland

The criteria used in marking have been clear in advance	75%	
Marking and assessment has been fair	85%	
Feedback on my work has been timely	70%	
I have received helpful comments on my work	75%	

UNISTATS - Student satisfaction (4)

BSc (Hons)
Physics with
Nuclear
Technology
University Of The
West Of Scotland

I have been able to contact staff when I needed to	100%
I have received sufficient advice and guidance in relation to my course	75%
Good advice was available when I needed to make study choices on my course	83%
The course is well organised and running smoothly	60%
The timetable works efficiently for me	100%
Any changes in the course or teaching have been communicated effectively	75%

UNISTATS - Student satisfaction (5)

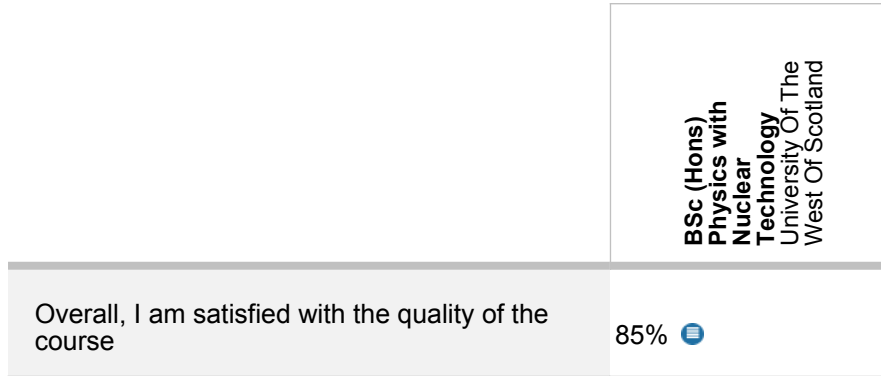

BSc (Hons)
Physics with
Nuclear
Technology
University Of The
West Of Scotland

The IT resources and facilities provided have supported my learning well	60%	
The library resources (e.g. books, online services and learning spaces) have supported my learning well	79%	
I have been able to access course-specific resources (e.g. equipment, facilities, software, collections) when I needed to	80%	

UNISTATS - Student satisfaction (8)

		BSc (Hons) Physics with Nuclear Technology University Of The West Of Scotland
I feel part of a community of staff and students	80%	
I have had the right opportunities to work with other students as part of my course	95%	
		BSc (Hons) Physics with Nuclear Technology University Of The West Of Scotland
I have had the right opportunities to provide feedback on my course	90%	
Staff value students' views and opinions about the course	80%	
It is clear how students' feedback on the course has been acted on	65%	
The students' union (association or guild) effectively represents students' academic interests	40%	

UNISTATS - Student satisfaction (8)

UNISTATS - Employment & accreditation (1)

BSc (Hons)
Physics with
Nuclear
Technology
University Of The
West Of Scotland

After 6 months	
Average salary six months after the course	£18,000 
Typical salary range	£16,000 - £25,000 
Average for all courses in the subject across the UK	£20,000 
Typical salary range	£17,000 - £24,000 
After 3 years	
Average earnings for the subject for this university or college	...
Typical salary range	...

UNISTATS - Employment & accreditation (2)

BSc (Hons)
Physics with
Nuclear
Technology
University Of The
West Of Scotland

Go on to work and/or study	90%
Now working	48%
Doing further study	33%
Studying and working	9%
Unemployed	8%
Other	1%
Employment six months after the course	
In a professional or managerial job	65%
Not in a professional or managerial job	35%
In an unknown job type	0%

UNISTATS - Employment & accreditation (2)

Accreditation

No

UNISTATS - Continuation & degree results (1)

BSc (Hons)
Physics with
Nuclear
Technology
University Of The
West Of Scotland

What students are doing 1 year after starting the course.	
Continue at the university or college	65% 
Complete the course they enrolled on	0% 
Complete a different award from the one they enrolled on	0% 
Are taking a break from their studies	15% 
Left before completing their course	15% 

UNISTATS - Entry information (1)

BSc (Hons)

Legend

-  No data available: There are not enough data available for this item to give specific information for the course. It may be because the course size is small, or because it is a new course. This does not reflect on the quality of the course.
-  Aggregated data: There are not enough data available to give specific information for the course: this may be because the course size is small, or because it is a new course. For this reason, the information may include data from previous years, or other courses at the institution in the course's wider subject area. For example, if the course was in Forestry, information for all agricultural and related subjects at the institution might be shown.
-  Estimated data: These data are based on the modules the institution expects students to take rather than actual module choices.

About Unistats

Unistats is the official site that allows you to search for and compare data on university and college courses from across the UK. The site draws together official comparable information on those areas that students have identified as important in making decisions about what and where to study. The items that students thought were most useful have been included in a Key Information Set (KIS), which can be found on the Overview tab for each course.

The site draws on official data on higher education courses collected from the following sources:

Data / information shown	Source of data
Student satisfaction data	National Student Survey
Employment information	The Destination of Leavers from Higher Education (DLHE) and the Longitudinal DLHE surveys.
Fees	UCAS / Universities and Colleges
Accommodation costs	Universities and Colleges
Learning and teaching information	Universities and Colleges
Assessment methods	Universities and Colleges
Accreditation	Universities and Colleges
Class of degree	The Higher Education Statistics Agency, HESA (www.hesa.ac.uk) for universities and the Data Service (www.thedataservice.org.uk) for colleges via the Individualised Learner Record (ILR) data.
Entry qualifications	Continuation information
